

★ School's Off, Odyssey's On! ★

Why wait for summer? Our camps bring hands-on science, tech, and engineering fun all year long! From single-day adventures to full break weeks, kids spend their days exploring, experimenting, and creating at the Flagstaff Science Center at Moonshot.

October 2025 – March 2026 – Ages 5 – 13

Thanksgiving | Winter Break | Spring Break | Science Birthday Parties too!

Camps conveniently located at Flagstaff Science Center at 2201 N Gemini Drive, Flagstaff, AZ 86001

CAMP DETAILS:

Ages: 5 – 13

Camp Dates:

October 2025 – March 2026

Camp Hours:

8:30 AM – 3:30 PM

Register Online at:

Camps

SENSE-SATIONAL SCIENCE (AGES 5 - 9)

Friday, October 10, 2025 - Fall Break Friday
8:30 AM - 3:30 PM

Put your senses to the test in this day of hands-on discovery! Explore sight, sound, smell, taste, and touch through fun experiments like invisibility, searching with smell, and play sports using only sound.

Program Fee: \$58

INSPIRED BY NATURE (AGES 5 - 9)

Monday, October 13, 2025 - Indigenous Peoples' Day
8:30 AM - 3:30 PM

Celebrate Indigenous Peoples' Day with a day of exploration, creativity, and discovery! Learn how Native American innovators looked to rivers, forests, and wildlife for ideas. We'll build mini canoes inspired by traditional designs and test them in "river" races, grind earth pigments to create paints, and craft their own Native American toy to take home.

Program Fee: \$58

HOW DINOSAURS ATE (AGES 5 - 9)

Tuesday, November 11, 2025 - Veterans Day
8:30 AM - 3:30 PM

Become a prehistoric detective and uncover the clues to dinosaur dining behavior! Examine fossils, compare teeth, and piece together evidence to solve the mystery of how different dinosaurs hunted, grazed, and survived.

Program Fee: \$58

ODYSSEY THANKSGIVING CAMPS

LEGO INVENTORS (AGES 5 - 9)

November 24-26, 2025 (3-day camp)
8:30 AM - 3:30 PM

Tap into your creative side by building clever contraptions and crazy machines. Use motors and gears to make your creations race, climb, and play LEGO games. On the final day, blast off into an epic LEGO Space Challenge on a distant planet! Fee: \$174

ALIEN EATS! (AGES 10 - 13)

November 24 - 26, 2025 (3-day camp)
8:30 AM - 3:30 PM

Launch your stomach into outer space as we whip up strange snacks using science to create edible foams, flavored powders, and other unusual treats. We'll celebrate the final day of camp making a Star Wars feast (yes, even Wookie Cookies) and explore how astronauts prepare and eat food in space. It's cooking, science, and sci-fi fun rolled into one tasty adventure! Fee: \$174

DREAM BUILDERS (AGES 5 - 9)

Monday, January 19, 2026 - Martin Luther King Jr. Day
8:30 AM - 3:30 PM

Spend the day making creative projects full of imagination! Build a sturdy bridge, design LED circuit art that lights up, and craft a birdfeeder to take home. Test your skills, try new tools, and see what you can create. Program Fee: \$58

CLUE FINDERS (AGES 5 - 9)

Monday, February 16, 2026 - Presidents Day
8:30 AM - 3:30 PM

Examine fingerprints, test mysterious powders, and use science to solve mysteries including The Case of the Missing Cupcake and The Mystery of the Missing Mummy. With hands-on experiments and plenty of twists, it's a day of sleuthing, science, and mystery-solving fun. Program Fee: \$58

ODYSSEY WINTER BREAK CAMPS

TOYING WITH SCIENCE (AGES 5 – 9)

December 22 – 24, 2025 (3-day camp)

8:30 AM – 3:30 PM

Build, race, and spin your way through a world of playful experiments! Create your own toys with plastic molding, explore the physics of gyroscopes, and engineer speedy cars to race against your friends. It's hands-on science that's all about making, testing, and having a blast.

Program Fee: \$174

3D PRINT YOURSELF (AGES 10 – 13)

December 22 & 23, 2025 (2-day camp)

8:30 AM – 3:30 PM

Get hands-on with the basics of 3D design and printing! Learn how to 3D scan real objects, create your own digital models, and watch your ideas take shape layer by layer. Perfect for beginners ready to explore the exciting world of 3D creation.

Program Fee: \$116

CHILLS & THRILLS (AGES 5 – 9)

December 29 – 31, 2025 (3-day camp)

8:30 AM – 3:30 PM

From frosty experiments to sizzling science, this camp is packed with temperature extremes! Freeze objects in seconds, churn up liquid nitrogen ice cream, explore the Sun using solar telescopes, and witness the power of dragon's breath. It's hands-on, high-energy science that's as cool as it is hot!

Program Fee: \$174

LEVEL UP! GAME DESIGN BASICS (AGES 10 – 13)

December 29 & 30, 2025 (2-day camp)

8:30 AM – 3:30 PM

Take your first steps into the world of video game creation! Learn how to design characters, build levels, and bring your ideas to life using beginner-friendly game design tools.

Program Fee: \$116

ODYSSEY SPRING BREAK CAMPS

CODE, CREATE, PLAY! (AGES 5 – 9)

March 9 – 13, 2026 (5-day camp)

8:30 AM – 3:30 PM

Dive into a world of creativity and invention with a week full of hands-on technology fun! Bring stories to life with stop-motion animation, create digital art, and code interactive video games. Explore robotics, experiment with sound effects, and finish the week with a Minecraft Maker Fest!

Program Fee: \$315

AIR FORCES (AGES 10 – 13)

March 9 – 13, 2026 (5-day camp)

8:30 AM – 3:30 PM

Soar into a week of high-flying adventures! Fly drones through tricky obstacle courses, master the physics of lift, drag, and thrust, and push your skills with advanced paper airplane engineering. It's hands-on, fast-paced, and built for campers ready to take flight!

Program Fee: \$315

Science Birthday Parties!

Birthday Parties at the Flagstaff Science Center at Moonshot

Make your child's big day fun for everyone—including you! Celebrate with hands-on science adventures that spark curiosity and joy. Our enthusiastic party hosts take care of the fun while you sit back and enjoy the celebration.

Every Party Lab Includes:

- 90 minutes in our Party Lab for up to 20 guests
- An enthusiastic party host
- Decorations and colorful paper goods
- Vanilla ice cream
- Families may bring cake, drinks, and snacks (great for food sensitivities)
- Themed, hands-on activities your child will never forget

Choose Your Party Lab Theme:

Dino-Mite Birthday Bash

Stomp, roar, and explore! Celebrate like a true dino-mite explorer with fossil digs and dino discoveries. Kids will make their own fossil creations with bite.

It's Slime Time!

Squish, stretch, and ooze with laughter. Whip up wild and wiggly slime creations in this gooey, giggly, hands-on lab party.

Blast Off Birthday

Launch into an out-of-this-world adventure. Build your own rockets and send them soaring in this stellar space-themed party.

Bubble Palooza

Float into bubbly fun. Pop, swirl, and play in a foam-filled frenzy with giant bubbles and sudsy science.

Birthday Parties are conveniently located in the Flagstaff Science Center's Lab at 2201 N Gemini Drive, Flagstaff, AZ 86001

\$239 | Saturdays and Sundays

Book your birthday at:

flagstaffscience.org/birthdays
